MySQL workshop: Will plan one for Friday, May 30, follow NH Koha Users Google Group for time and location announcement. Peggy Thrasher, Dover Public Library

From the Koha Roundtable discussion at NHLA conference 4/23:

TIPS

ILL item type - include due date in notes field

“Aggressive ISBN matching” - coming in 3.14 as add-on - ask for it. Will help match records.

Peggy (Dover PL) is asking for development funding for scheduled reports to be sent as email attachment instead of in email, reports are more useful as attachment.

GRIPES

Speed of circulation transactions

Need to reset SIP2 after Koha goes down

Fines - staff needs to be able to see what's going on with fines (Kyle at ByWater is working on upgrading fines)

Printing spine labels of older item records-formatting can go wonky

NH Libraries using Koha

You can search LibWebCats (<http://www.librarytechnology.org/libwebcats/>), a database compiled by Marshall Breeding, to find a list of NH libraries using Koha (or any other automation system, for that matter). You have to register and log in to be able to do this. Once logged in, you can update your own library's information.

As of 4/22.2014, these are the NH libraries listed as using Koha in LibWebCats:

Atkinson, NH. [Kimball Library](#). (Atkinson, New Hampshire United States)  [\[web site\]](#) [\[online catalog\]](#) [Koha -- ByWater Solutions]

Auburn, NH. [Griffin Free Public Library](#). (Auburn, New Hampshire United States) [\[web site\]](#) [Koha -- ByWater Solutions]
