Call to order at: 2:00 PM

Members Present: Christine Friese, Amy Lappin, Sarah St. Martin, Deann Hunter, Sylvie Brikias, Sam Lucius, Nancy Farwell, Betsy Solon, Todd Fabian, Julia Lanter, Deb Hoadley, Randy Brough, Lisa Jose, Carlos Pearman, Michael York, Marita Klements, Azra Palo.

Motion to approve April Executive Board minutes made by Randy, seconded by Sylvie. Motion approved.

- 2020 Census and Libraries, Nicole McKenzie, Partnership Specialist
  - Can come to libraries to do a 30 min presentation to staff.
  - There are 4 Partnership Specialists for NH. Nicole covers right hand side of the state, someone else for Hillsborough, Merrimack, and other counties. Will send out names of who’s covering each territory.
  - Goal is to count everyone only once. Process, including online aspect and data, is very secure, they invested a lot in cyber security. They won’t share information with another Government agency, protected by title 13 law.
  - If people don’t respond, their community could suffer because they’d lose funds
  - Establish where people live, and work with Post Office.
  - Marketing campaign in Jan 2020. Really relying on community organizations to help distribute information and answer questions. Work with cities and towns to get people motivated.
  - Feb-March do mailings, and officially start on March 12th. Hope to finish by May.
  - Mailing first, rural areas send people out to put bag on door.
  - New this year, can do online. Can still do paper, but pushing online. Can also respond via telephone with 12 languages. Online is also in different languages.
  - If don’t have your code when you do it online, can put in address. She is sworn under oath to not share anything. For librarians, how do we help?
  - Census will never ask for SS#’s or bank accounts or donations/money.
  - Will be real time tracking, so can see quickly which communities aren’t getting great responses.
  - Areas that do not respond, then knock on doors and fill out then.
  - Wants to hear about concerns as they occur. Can visit a library for a day to help people who come in if need assistance.
Complete Count Committees. NHLA could form own CCC. It’s what you make of it, basically keeping census on agenda, and keeping an ongoing dialog. CCC’s help get a better count and address any issues. Each library could be part of a CCC in region. Subcommittees can be library divisions (kids under 5 were least reported in last census). As much or little work as want. Nicole is here to support us.

Have info on census and can find graphics and social media stuff from website: [https://www.census.gov/partners/2020-materials.html](https://www.census.gov/partners/2020-materials.html)

How to handle people who are homeless. A day where they count homeless, send census staff out and work with shelters, other community organizations. If libraries have homeless people wanting to do census, can we help them? They don’t have an address. Nicole will follow up on that question. Postal service does give out PO boxes, but it has to be a physical address for census.

Is there a list of CCC’s, so can see if there are already any in our communities? June 20 is CCC kickoff, Nashua, Berlin, and Rochester just started them.

Christine proposes that NHLA be a CCC, focusing on issues that libraries need help with, making sure everyone has the resources they need, maybe a FAQ page with links to US Census info. NHLA can be a resource and starting point for NH libraries.

March is town meeting month in many towns, another place to get info out.

Wherever the person is sleeping on April 1, that’s where you are counted. So college students are usually at college, not home, and will be counted by college.

Some of the Coops might want to have own CCC. Christine will send Nicole contacts.

**President’s Report**

- Visited one Coop last week, one next week, and is happy to get out and listen. Fun to hear questions and topics, many are similar to ones heard at conference: issues around opioid epidemic, mental health, things we’re all talking about. Potential future conference topics.
- Has agreement for the extended membership for NELA. Confirming that it didn’t change, so don’t need to vote on it.
- Conference survey results were very positive.

**President Elect’s Report**

- Fall Conference. Nov 1 in Hooksett.
- Rebekkah Smith Aldrich will be speaking about sustainability. Will also be doing interactive session.
- Hoping to have Sara Zettervall Skype in.
- By July will have a firmed up schedule.
- **Past President’s Report**
  - No applicants yet for the Geisel award.
  - Application for scholarships done and is ready to be put out with deadline of July 31. Conference committee (Officers) will decide scholarships. Will announce winners prior to registration.
  - Motion to approve the conference scholarship application and description made by Lori, seconded by Amy. Passed unanimously.

- **Treasurer’s Report**
  - Conference made money. One outstanding vendor check has arrived, everyone has paid.

- **Section and Committee reports**
  - NELLS support
    - 5 people. $1750 for $350 each person
    - Had one person apply for MacDonald grant for NELLS. Since NHLA is already giving money for NELLS, they are not eligible.
    - Some candidates are also applying for NHLTA scholarship, which could cover rest of cost. Sylvie will let NHLTA know amount left for that application.
    - Note going forward that NELLS is covered by separate funds. Continuing Education will make and approve change that specifies their grants will not cover conferences or NELLS.
  - Loans and Scholarships approval
    - Natalia Bairamova, from Derry, applied for Norris Grant and Winchell Loan.
    - Motion to accept the Scholarship’s recommendation to award Natalia Bairamova the Norris Grant and Winchell Loan made by Todd, seconded by Sam seconded, passed unanimously.

  - Membership – discuss and approve new dues schedule, with addendum of the ULAC membership increase from $25 to $100.
    - It’s been over 10 years since any increase in membership dues.
    - New category of Salary $50-$75. Others are $5-$50 increase.
    - ULAC from $25-$100, looking to do more programming, bring in more speakers, and haven’t raised membership in a very long time.
    - Were other sections involved? Last year sections were asked to discuss membership amounts. Some has revised.
    - Business memberships, mostly from conferences, and some individual consultants.
- A motion that we accept the proposal with dues increases with the addition of ULAC increase made by Julia, seconded by Deb. Passed unanimously.
- Should start advertising now.

- Scholarship

- Continuing Education Committee:
  - Response for call for instructors was small, didn’t fit competency. Reached out to MA Library Association for advice.

- Membership
  - Planning a social event, an architectural tour of the Boston Public Library. Offered to waive their reservation fee for room. Proposed date Sunday afternoon, August 18. Trying to cover cost completely as a draw. They have a map/tea room, and could make a reservation, need to find out how many people would want to come.
  - Transportation options. Could charter a bus. If really expensive people will need to contribute. Also carpooling apps. Or public buses, Boston Express does group reservations, with group rate.
  - Wild Apricot has a polling feature, so will use that to send out poll.

- YALS
  - Conference is Sept 26 with M.T. Anderson! Literary theme, looking into teen book/writing/poetry groups.

- CLNH
  - Have 5 candidates for children’s librarian of the year, announce in August
  - Looking for vice president
  - Conference is Oct 24.

- READS

- ULAC: No meeting in May
  - Discussion and approval of Bylaws with population change to 13,000
  - Made a motion to lower our population requirement, from 15,000 to 13,000. This would open up 8 new towns/cities. Trying to grow in size and get some fresh ideas.
    - Motion to approve the bylaw change made by Betsy, seconded by Carlos. Passed unanimously.

- Paralibrarian Section
Advocacy Committee

Information Technology Section
- Looking for members and officers.
- Looking to change bylaws so terms run Jan-Dec. Can do an online vote through email, or go through Survey Monkey (NHLA has account).

Intellectual Freedom Committee

Conference Committee

Bylaws Committee: no report

Legislative Committee
- Program at conference was really good, but low attendance.
- Bill on interviewing practices, background checks and compensation. If can’t ask these questions, how will that change hiring process. Keep an eye on that bill, not law yet, not library specific.

ALA Liaison
- Going to ALA in DC.
- Working on initiative for NH primary, to get info out to Presidential candidates, to highlight some of issues, (LSTA funding, broadband, etc.). Hoping to provide background and awareness to have long term effect.
- Branded ALA with NHLA, materials in draft form at August meeting. We’d approve draft for chapter branding.

New England Library Association Liaison

NH Center for the Book Liaison

NHLTA liaison: no report

Social Media:
- READS, YALS, CLNH been very active.
- People are interested in hearing what committees are doing.
- NH State prisons banning certain books, Azra reached out to State rep to discuss.

Archivist
- Had person who was going to help, but fell through. So still looking for help.
- Often brings stuff from State house back to Nashua to look through, as more efficient.
State Librarian Report

- State Librarians meeting at Gettysburg this year. Talking about LSTA funding, among other things.
- Contract for automation system is with Attorney General’s office, will then go to Dept. of Administrative Services, then Governor. Working on getting that done as quickly as can, should be very soon.
- House Bill 565 involving supervised visits was retained, which means it will be looked at again. This is regarding having the Dept. of Health and Human Services set up a location for supervised visits. Representative Long from Manchester helped a lot on this effort.
- State Library working on a capital appropriation to make the building more hospitable for collections.

NHLA President’s Report for June 2019

Much talk over the past month with many members around the state and it is clear that the following is on everyone’s mind:

Advocacy – so much to do, so many resources to draw on. NHLTA would like to partner with us, through our advocacy committee, to reach trustees. ALA would like us to be proactive in dealing with the 2020 Census (more on this later). And Lori Fisher, Advocacy Chair and newly-minted Assistant State Librarian and I will visit our congressional delegates while we are in Washington DC for the ALA Annual Conference later this month.

Mental Health, Supervised Visitation Centers and the Opioid crisis – during the (fabulous) NHLA Conference in May and during a visit to one of our Coops last week, I heard over and over that libraries are dealing with a plethora of social work-related issues, trying to learn and to adjust policy and procedures as towns and cities cope with these various topics. We will identify all the resources and opportunities we can find to help NHLA members as they adjust to this “new normal”.

The 2020 Census will potentially affect all NH libraries and we’re working to stay ahead in the process and to be sure that library needs are heard at state and federal levels. Yara A. McSweeney, Supervisory Partnership Specialist at the U.S, Census Bureau provided an overview of the process during the NHLA Conference in May. Nicole McKenzie, Partnership Specialist, will present to the Executive Board on June 11. Additionally, I will participate in the first meeting of the NH State CCC and determine just what the state has planned and how libraries can be at the table. For more information on the topic, visit the census site at: https://2020census.gov.

I have very much enjoyed the Coop visit and look forward to meeting more people all over the state so if you have an event, coop meeting or other meeting you would like me to attend, I would like to hear what you are dealing with, what you would like to see NHLA do and how we can help all NH libraries to be stronger and more effective.

NH LA President Elect Report

June 2019

Planning for the 2019 NHLA Fall Business Meeting. Friday, November 1, 2019 in Hooksett, continues. Rebekkah Smith Aldrich has confirmed her availability to present a morning program including both a presentation and an interactive component.

I have also contacted Sara Zettervall, Consultant and Trainer with Whole Person Librarianship to see if she might be able to participate in an afternoon Skype session with us. Her article, “Relationships are the New Reference,” Public Libraries, March/April 2019 was recommended by Lori Fisher and is very relevant to the work we do in our NH libraries. I hope to hear back from her soon with her availability and fee.

Other programs under consideration are the role of public libraries in the 2020 Census and a speed round of one minute book reviews of professional development/management/leadership books.

Roots Catering is working on a proposal for both a simple breakfast (muffins, fruit, coffee) and lunch. I am looking for someone to organize and manage raffle baskets and sales which is not my forte.

A finalized agenda and schedule for the meeting should be available by the July NHLA officers meeting.

Respectfully submitted,

Amy Lappin

NH LA President Elect
I worked with the conference committee on registration for 2 day conference. I created name tags for the conference and manned registration table for both days.

Text for conference scholarships and companion application are attached for board approval.

I sent out calls for nominations for both the Geisel Award and officer nominations. I have received a few inquiries about officer positions to date. The nominating committee (Amy Lappin, Amber Coughlin and myself) will meet virtually prior to the August Board meeting to present slates and our recommendations for the Geisel Award.

NHLA Continuing Education Committee Report
June 2019

The CE Committee met virtually on June 4. In attendance was: Eileen Gilbert, Bernie Prochnik and Deb Hoadley. Absent was Sara Smith.

We discussed the following:

1. MacDonald Grant Fund requests. We have approved one new application for Aimee Lockhardt to attend NELLS. We also denied a grant request because it was for NHLA Conference registration, which the grant does not cover.

2. We reviewed the maximum amount allowed and the guidelines for the MacDonald Grant Fund and decided not to make any amendments.

3. The Committee discussed the purpose of the CE courses we want to schedule. We don’t want to duplicate what other sections are doing, or just have a redux of previous classes. We want to offer more competency classes that would cover a wide variety of topics under a single subject, like reference. These would be 2 day workshops, with an online component. We are looking into the curriculum and platform that MA offers.

4. We decided to use the same Feedback form for our courses as the Paralibrarian and READS sections.

5. Next CE Committee Meeting is scheduled for August 6 at 2:30pm.

Our FY 2020 budget was presented and approved.

Our Membership Chair will be sending out a survey to our members in attempt to gain some perspective on what members would like to see for future classes and where these would best be held for maximum attendance. Our current membership stands at 71 paid members.

The Paralibrarian Section will be offering one class this summer in the category of administration/management, and expects to offer 3 additional courses in categories not previously covered in the fall. Details are still in the works. Additionally, we will also offer a “beginning your para certification application course” at some point in the fall before winter.

Work on the Para Mini Conference set for October 4 continues. The budget, agenda framework and main speaker have been determined.

One new Paralibrarian Certification was awarded:

- Level 4 to Julie Spokane from Brookline Public Library

Since our April meeting, our VP, Katherine Bollenbach has resigned from the board for personal reasons. A request for interested parties to apply to the board for this open position has been put out to membership and the Paras expect to hold a special election soon.

Our next meeting date is Friday, June 14, 2019

Advocacy Committee report for NHLA Board Meeting, 6/11/2019

1. Advocacy Committee Go-To-Meeting 6/5/2019

On Wednesday June 5, 2019, we had a successful NHLA Advocacy Committee meeting with six participants (Mary Cronin; Rebecca Stockbridge; Bobbi Slossar; Brittany Bergholm; and Amber Coughlin).

Summary of agenda discussion:

a. Advocacy Bootcamp pieces at Co-ops

After reaching out to the NH library co-ops in December 2018 and January 2019 in order to offer 1 hour pieces of the Advocacy Bootcamp, we only had three co-ops (RALI, Hillstown, and Merri-Hill-Rock) to date who have had a piece of the program presented. Suggestions to get the library story piece out to more libraries in NH include doing a NHAIS post (original email went to co-op chairs; this will reach co-op members who then might bring the ask to their co-op meeting); ask on NHAIS if there is interest in a webinar version. North Country co-op may be offering an Advocacy bootcamp piece at their September meeting.

b. ALA & NH Primary initiative overview/tasks

Lori and Mike York (State Librarian) met with representatives from ALA’s Washington DC office to discuss having event(s) or materials created to distribute to presidential candidates in NH. The rationale is that only one of the current 23 Dem candidates will get the nomination, and the rest will go back to their political jobs (Senate, Representative, Governor, etc). Lori asked Advocacy Committee members to attend one candidate event in the next month or so, and send her a quick email outlining the type of event, format, ability to interface with candidate, were questions allowed, etc. This will help inform the materials that could be developed by September, and then distributed to candidate campaigns in the fall.

c. Strengthening contact with NH Congressional District offices in NH

Lori has started an effort to have regular contact with our Congressional delegation district offices, providing them with a list of events for the upcoming three months at libraries around NH that dovetail with specific issue areas of interest to the Senator/Representative. Those issue areas include Seniors, Veterans, Workforce Development, STEM/STEAM for kids, and Community-Building. We discussed what other libraries to include in this event listing every 3-4 months, since the listing could lead to a congressional delegate visit, and any library listed needs to be willing to have that happen. The first district office visits will occur in the next two weeks, and will cover June-August events. Lori will also bring a snack (homemade chocolate chip cookies) to the visit 😊. Next visit would occur in August/September, with events listed September through December 2019.

d. 2020 Census promotion/resources to NH libraries
Brief discussion about the importance of an accurate census count for library federal funding, and what NH libraries will need to participate/get their staff & resources up to speed way before March 2020. Two suggestions included coordinating with census reps to visit library coops between now and December, and developing a list of concrete examples/ideas of how to prep and what to think about so that NH librarians aren’t “reinventing the wheel.”

e. New business

There was support to hold a Librarians After Hours event this summer, as well as this fall. The summer event will be in Concord, while the fall event will be at Woodstock Inn, Lincoln. Bernie P. has agreed to head this up so more detail to come. Also, Lori asked for someone to learn how to create an Engage campaign so that she is not the only one that knows how to reach out to our NHLA membership and other advocates. Rebecca Stockbridge from NHSL stepped up to fill that role – thank you Rebecca!

2. ALA Annual – NH Congressional Delegation visits

Lori and Christine Friese will be attending ALA annual in Washington DC, June 21 – 26, and will make time to visit each of our four Congressional delegates. We will be thanking them for their support of the Dear Appropriator letters, and by that time probably asking our House reps (Kuster and Pappas) to vote in support of the House appropriations bill for the FY 2020 budget, which includes an increase in IMLS funding. We will also share with the DC office staff and our Congressional delegates the events lists that are going to their district offices. We’ll let you know how these visits go!

ITS Section Report to NHLA Executive Board

June 7, 2019

Co-President of ITS, Amanda Plante, submitted her formal resignation to the board at the Spring Conference. Amanda was promoted to a full-time position at Langdon Public Library and is also attending school full-time. While we are sad to lose Amanda, we respect her decision and wish her much success with her endeavors.

ITS was pleased to collaborate with READS to bring Jessamyn West to the spring NHLA conference. The presenter was paid $100 out of the ITS funds.

The President is still exploring using GoToMeeting to include members unable to attend meetings. Due to the venue for the June meeting, GoToMeeting will not be utilized as anticipated.

ITS is holding a section meeting on June 11, 2019 at 10 AM at the Escape Room Concord NH where will hear about technologies used to create escape rooms. We encourage ITS members and members of NHLA to attend.

Nancy Farwell, Abbott Library

Intellectual Freedom Committee Report

Tuesday, June 11th, 2019

Just one current intellectual freedom issue to be aware of:

- Lynda.com privacy issues: Lynda.com was acquired by LinkedIn in 2015, and they plan to require library patrons to create a LinkedIn account to use Lynda.com; however, LinkedIn has a terrible privacy protection reputation—they keep personal information indefinitely, it is not very well secured, they log service use and potentially sell it to other businesses, etc. For perspective, it is as if we required patrons to have a Facebook account to use Overdrive—another company with a poor history of protecting private and personally identifiable information that we have little control or influence on. The LinkedIn account requirement has not been implemented yet but they do not seem responsive to concerns from librarians. While it does currently only affect libraries who subscribe to (the admittedly pricey) Lynda.com, it is something that may come up with other library service providers in the future. (Here is an ALA Office of Intellectual Freedom blog post with more information: https://www.oif.ala.org/oif/?p=17968) I plan to email the NHAIS list about this as well.

NHLA Spring Conference Report June 2019

The Conference was a success due to the hard work of our conference committee members, NHLA officers, our membership committee and my ULAC colleagues. It was a pleasure to work with all of you!

We have received numerous compliments about the programs and the venue. I have included the official survey results for your perusal.

Attendance totaled 257 for the conference including speakers and vendors over the two days.

Financially, as of April 30th, we brought in $30,000 and expended $21,441.52. Expenditure includes the $1,995 that was a prepaid expense in 2017 to reserve the venue. Leaving a balance of $8,558.48. We need to apply $2,500 of the balance to cover the deposit for the 2021 venue leaving NHLA with a profit of $6,058.48. These numbers will change slightly as we received a few payments in May and are expecting a payment from a vendor.

I would like to recommend that we consider going back to Mill Falls for 2021. Tentative dates for the Conference would be Thursday May 6th and Friday May 7th, 2021. If the board supports this I will reach out to Mill Falls about availability and any cost increase as they have a new owner now.

There are a few other tweaks I would like to recommend to our manual based on our usage of it for this conference. I hope to have those ideas out to the board for the August meeting.

Also I would like to just note that the New England Library Association Conference will be in Manchester in October of 2020. I believe NHLA agreed that this will be a joint conference and will be happy to assist with planning some NHLA events in my role as Conference Chair.

And finally I’ll be reaching out to current chairs of our sections in late Fall to start putting together the 2021 Conference Committee. If anyone is interested in being the co-chair please contact me directly!

New England Library Association Report for the NHLA Board June 2019:

NELLS Update:

- Marilyn Borgendale, the system administrator at GMILCS has been chosen to be the 2019 New Hampshire NELLS mentor.
- There were 14 candidates from New Hampshire who submitted applications for NELLS in 2019. It was a strong showing from New Hampshire with many fine applicants.
- The applications were reviewed by a committee consisting of the NH NELA Representative (Amber Coughlin), a NELLS alumnus (Caitlin Loving) and this year’s NELLS Mentor (Marilyn Borgendale). The committee put forth 8 potential candidates for NELLS from New Hampshire to be further considered.
- On May 8th, a group of mentors, alumni, and state reps from all New England States convened alongside the two NELLS co-chairs at the Joshua Hyde Public Library in Sturbridge Massachusetts to put forth the candidates for NELLS 2019. There were many more nominations than spots available. Final selections were made by the NELLS co-chairs from each state’s nominating committee’s recommendations.
- There were 5 candidates chosen from New Hampshire this year – Alex Graves, Samantha Lucius, Angela Brown, Mindy Atwood, Aimee Lockhardt. There were also two candidates waitlisted, in the event that one of the accepted applicants could not attend NELLS, but I believe they have all accepted at this time.
- All other applicants have been notified that they were not selected this year. They were all encouraged to apply again.

The NELA Executive Board met on May 17th, 2019 at the Portsmouth Public Library.

- The NELA membership committee has launched a free online resume review service which is available here: [http://nelib.org/resume/](http://nelib.org/resume/) Interested people will be able to choose the reviewers they would like to evaluate their resumes. This gives people the option to select someone with their interests and also avoid sending a resume to someone who may be unaware they are job searching.
- The conference committee has begun their final review of programming for the October Conference.
- The NELA strategic planning committee has been working with ESC consultants on a survey of the NELA board and larger NELA membership, the results of which will inform the strategic planning process.
- NELA is partnering with SLJ (School Library Journal) and Library Journal for the 2019 Leadership Basecamp and Diversity Workshops at Simmons College on August 12th and 13th at Simmons College. NELA members get a 30% discount on registration to these events.
- The next meeting of the Executive Board will be July 19th in Springfield Massachusetts.

Center for the Book Report for the NHLA Board June 2019

I attended the Center for the Book meeting on Thursday, June 6 at the State Library.

Mary Russell updated us about the Center’s activities.

**Ladybug Award**: 2019 nominees were announced in March at the NH School Library Media Association conference. In response to demand, the Center for the Book will be providing more supplemental material to schools and libraries.

This year, Mary launched a pilot project that provides copies of the Ladybug nominees and supplemental materials to 15 Head Start sites. She partnered with Southern NH Services to reach the Head Start programs. Money from the Granite State Reads fund was used to purchase the books. If the program is successful, she will find a corporate sponsor to expand the initiative to more Head Start programs.

**Letters about Literature**: Professors and students from Franklin Pierce University judged submissions this year. Franklin Pierce is hoping to be able to provide volunteers next year too. There were not as many submissions this year. NH had 49 semifinalists and three winners—one at each level.

**National Book Festival**: This year, NH’s booth will feature *The Enormous Egg* by Oliver Butterworth and will focus on historical New Hampshire children’s books. The festival will take place at the convention center in Washington, D.C. over Labor Day weekend.

**Route 1 Reads**: This year’s Route 1 Reads is highlighting cookbooks. NH is featuring *Black Trumpet: A Chef’s Journey through Eight New England Seasons* by Evan Mallett.

**Other items**
The Center will support Manchester’s One Book One Manchester program.

The Board approved a minor bylaws change that reflects the name change from CHILIs to CLNH and Urban Public Library Council to Urban Library Administrators Consortium.

Author Dan Szczesny asked about how the Center can serve as a bridge between local authors, libraries, and readers. Discussion of this topic will take place on the board’s listserv.

Don Kimball, president of the Poetry Society of New Hampshire, provided an update on the status of the state’s Poet Laureate. Alice Fogel will continue to serve as Poet Laureate until the nomination issue is resolved.

The Board’s next meeting will take place on Wednesday, November 6 at 4 p.m.

Respectfully submitted,
Emily Weiss
